***Monday, Dec 7, 2009 @ 7:00***

**Call to Order:** 7:15 pm

**Music Director's Report** (Ms. Jason)

### ***Indoor Guard***

- Travel Expenses – Sarah is going to do some fundraising to cover as much of the cost as possible. Boosters will cover the balance. Indoor Guard also needs a new floor. And Sarah wants to get some matching Guard Bags. Guard uniforms cost parents more than in the past (not Walmart separates, etc.)

### ***Upcoming Concerts***

- Recording – Cromers are recording the winter concerts. Pay \$500 to Cromers to cover expenses and a bit more. Sell CD's for \$10 each. If we sell 50 we break even. If we sell more we'll discuss. Going to do a pre-order form to distribute at the concerts.
- Poinsettias sales at concerts – Lynn & Tori will sell

#### ***Battle of the Bands (Jan 23 - Auditorium)***

- Coordinator – Tim Kestel
- SAT's that morning. Have the Auditorium from 2pm until 11pm. Jan 7 and 12 for auditions. Need date/time for rehearsal. (Not quite enough time to do it that day.)
- Bands from South Carroll area. High school, not middle school. About 5 to 7 bands each have 30 minutes to set up and play. If they take too long to set up they eat up their playing time. Tim will write up info to advertise.

- Need someone to put together actual prize packages – In bags, baskets or whatever.

### ***Craft Fair (March 20, 9am to 3pm)***

- Coordinator – Lynne Barr
- Expect 125 vendor booths
- Spring Fair is also a community festival. Try to get community organizations, etc. like last year.

## **Website Report (Steve Kahn – Will not be at Dec meeting)**

### ***General***

- Booster Communications – Email and our website.
- FAQ's... (Perhaps we can add a place on our website for visitors to ask questions. Maybe even a message board of questions and answers???)
- The “virtual plaques” should be displayed on the thermometer page. Can we move them?
- (Afterthought – Steve, can you also post the All County and All State participants?)

## **General Discussions and Ongoing Items (Current Topics)**

### ***IMB Scholarships***

- Committee Administrator – Steve Kahn
- Scholarship form updated & posted. Notice sent to LHS Counseling Office. Due May 7.

### ***Other Fundraising Ideas***

- 

## **Future Ideas (New Business)**

- CPR Training! Training that includes the EED's (?) cost about \$200. We think training without them is cheaper. Maybe we can do something through school or with Athletic Boosters or something. Please ask around and see what we can set up. It is good for **everyone** to know – parents and students!

**Adjournment:** 8:30ish pm :)
