Other Discussions/Updates

- Next years trip – Still undecided about where to go. Thinking about Florida again. It is very cost-effective and hard to beat. Universal & Disney are always fun. Kids don't seem to be as interested in Tennessee and Dollywood. Toronto is not as much fun for kids and they will need a passport. (Vaughn?)
- New Marching Band Uniforms – Other school has different uniforms. Distributor will measure. (Vaughn?)
- Marching Band – Group II next year, but still need more recruiting. Pandora's Box is next year's show. TOB website - www.njatob.org
