Treasurer's Report

- Colleen is out of town until Oct 11. No financial report. She had some trouble with the software and lost hours of work.
- Discussion about budget versus money in savings. Savings money is intended to be money to cover in case of emergency or dips between fundraising deposits and expenses paid per budget. Budget is important. Need to see where we are.
- Important to have all Board Members at meetings. (We need you Colleen! ☺)

Fundraising Events

Extravaganza (September 20)

- No Treasurer report, but think we broke even.
 - Don't know what gate was. Hope that individual cash boxes/areas were kept separate so we can analyze money made/lost in different places. (Hope they were.)
 - Spent \$1100 on Program this year. Nice but expensive. Spent \$200 last year. No advertising done in Program, so lost income on that. Need someone else to do Program for Chapters.
 - Don't know what out percentage was from pit vendor.
- Other than financial concerns all went well. Lots of volunteers.
