

# 28<sup>th</sup> Annual Liberty High School Marching Band Extravaganza

September 25, 2010

Liberty High School Stadium

## EXTRAVAGANZA PROGRAM ADVERTISEMENTS

On Saturday, September 25, 2010, high school marching bands from around the region will perform their competition routines for audience members and judges from the Tournament of Bands, one of the largest competitive band organizations in the country. Bands compete in several areas, including overall music performance, section performance, drill, and color guard. The winning bands receive trophies for the competition and the scores for each band affect their rankings in the regional chapter championships and the Atlantic Coast championship, both of which are held later in the fall.

The Extravaganza is one of the Liberty High School Instrumental Music Booster's first major fundraisers for the school year and is the only home competition for the Liberty marching band.
