Liberty High School Instrumental Music Boosters
5855 Bartholow Road
Sykesville, MD 21784

Dear Sir / Madam:

Liberty High School Instrumental Music Boosters is a group of parents whose children participate in the instrumental music program at Liberty High School (LHS). We raise funds for all of the instrumental music groups at LHS (3 band ensembles, orchestra, jazz ensemble, percussion ensemble, marching band, and indoor guard) to help cover the cost of new instruments and repairs, music, drill, and transportation to music festivals and marching band competitions. We are currently raising funds for the up-coming 2009-2010 school year.

We are having a Gift Card Bingo night to benefit our music program on February 27th, 2009 at Oklahoma Road Middle School. We are seeking community support in several ways. We are asking local business to donate a gift card or gift certificate to be used as part of a bingo prize or door prize. Your business will be listed in the program that is given to the 275 participants and will be announced during the evening when the item you donated is part of the bingo prize.

We value your support and hope that you can help keep the LHS instrumental music program the best it can be with your generous donation. In turn, we will encourage our school community to patronize your business.

Sincerely,

Steve Kahn
Chair, Gift Card Bingo
